

The ADISL Scholarship Application Form

ADISL Vision

“Under the leadership of Jesus Christ, to be the nation’s most effective Christian organisation for equipping women to spread the gospel and for reaching out to those in need.”

ADISL Scholarships

ADISL aims to continue to teach, equip, connect and send women in ministry where they can be most effective in spreading the gospel. A scholarship from ADISL is about more than financial assistance. Grants are made in a prayerful hope that it will add to the recipient’s capacity to take their place in the life of the church and serve Christ’s Kingdom.

Being eligible does not guarantee a scholarship

Meeting the scholarship eligibility criteria **does not** guarantee that a scholarship will be awarded. There are a limited number of Scholarships and more applicants than scholarships. The Scholarships Committee also reserves the right not to make an award. As part of a competitive application process, applicants are ranked against the eligibility criteria and scholarships are only awarded to applicants who best meet the eligibility criteria. Applicants are welcome to re-apply, but must submit a new application and new supporting documentation as required. ADISL will **not** use previous application material for new Scholarship applications.

Hints and Tips

Here is some information to help fill in the application form for a Scholarship. The Committee assessing scholarship applicants want to know that the applicants they choose to receive scholarships are committed Christians, promising female students/Christian scholars and/or people who will contribute to church life in a greater way and/or facilitate the knowledge and spreading of the gospel.
